 - a. *Adult leaders can make announcements at FCA meeting about new leadership process but must outline briefly expectations and process*
 - b. *Students should be sought out individually and recruited rather than go through a “popularity” vote by FCA students or just asked by another student*
3. Student leadership applications made available from March 1 until March 15th – to be filled out and turned back in to Huddle Coach at your school – students CANNOT serve as FCA leaders without this Student Leader Application!
