Addict to Overcomer

the one night that makes all others possible

Thank you for serving as a table host at this year's FCA Benefit. I love how God believes in teamwork. He allows so many people the opportunity to join together to accomplish His purposes. By serving as a Table Host, you are accomplishing something that we cannot do and that is fill the room. The cost of the tables and tickets simply cover the cost of the Benefit. So, thank you! You have one of the most critical roles to play in accomplishing our goal of the evening: *funding*.

This is the one night that makes all others possible.

Table Host Commitments:

- 1) **Pray** as to whom God would have you ask.
- 2) **Invite** those adults whom you believe would be interested in hearing about the work of FCA and investing in the ministry. Our focus in ministry is on athletes and coaches, and we provide many opportunities throughout each week for the kids to participate. This night is for adults to join together and make a way for ministry to happen. Explain to them that this is a fundraiser. Share with them why you invest in this ministry.
- 3) **Provide** your guests with a ticket. You will have a table that seats 8 people including yourself. You and your 7 guests will each need a ticket to enter the Benefit as space is limited.
- 4) **Email** the names of the 8 people sitting at your table to Lori Williams at LoriWilliams@fca.org by Oct 12.
